

The PPO plan has the largest network of physicians. However, it is the plan that potentially has the most out-of-pocket costs to meet.

## SEARCH FOR A PHYSICIAN

1. Log onto [UnitedHealthcare website for VEBA members](#)
2. Click on the plan you are enrolling in

 **Search the network: Select Plus**

3. A window pops up - click okay

You are now leaving this site to search for your doctor, facility or clinic.

5. Sort by "Preferred Providers"
6. Providers with the Premium Tier 1 designation will be indicated on the physician profile

### TIPS!

Review that the physician you choose is accepting patients and that they are in the location you wish to use.

You can also do a search by category to find a doctor.

People  
Doctors, medical groups, and other  
professionals by specialty

When choosing physicians and facilities, be aware of where they are designated: Premium Tier 1, In-network or Out-of-network. Your coverage varies based on where you have service performed.
