Definitions

Transfer Students

Transfer students are defined as individuals attending a four-year college for the first time. To qualify as transfer students, they must have completed at least 12 undergraduate units at Grossmont College within six years of their transfer term. For example, a student transferring in Spring 2018 must have completed 12 units between Spring 2012 and Fall 2017. In addition, transfer students must have actively attended Grossmont College within one academic year before their transfer. For instance, a student transferring in Spring 2018 must have attended between Summer 2016 and Fall 2017. Special admit students (e.g., students enrolled while in high school) are included in transfer student counts if they meet all the criteria..
